Education

Toronto Metropolitan University

2nd Year – Bachelor of Engineering in Electrical Engineering

September 2024 – May 2029

Toronto, Ontario

Projects

Simple General-Purpose Processor | VHDL, Altera Cyclone II DE2 FPGA, Quartus II 13.0

November 2025

- Worked on my own to complete an 8-bit ALU and control unit in VHDL, including arithmetic, logic operations, and microcode-based operation selection.
- Tested components' code and schematics code using waveforms in Quartus II.
- Implemented an FSM, a 4×16 decoder, registers, and a 7-segment display decoder onto an FPGA.

Self-Driving Toy Car | Hardware C Language, Arduino

June 2023

- Used a breadboard to wire the motors and wheels, the sensors, and the programmer using MOSFETs and capacitors as needed.
- Programmed the arduino to detect the road based on light values returned by the sensors and perform left and right turns, u-turns, and stop at the end of the road.

Technical Skills

Languages: VHDL, Java, C Language, HTML/CSS, JavaScript, Python

Developer Tools: Altera, VS Code, Apache NetBeans, Eclipse, Apple XCode, Android Studio

Circuits: FPGAs, RLC Circuits, Op-Amps, Electromagnetic Circuits

Relevant Coursework

- | | | | |
|---------|--------------------------|----------------|--------------|
| • FPGAs | • Mealy and Moore | • RLC Circuits | • C Language |
| • VHDL | • Operational Amplifiers | • MOSFETs | • Java |

Experience

The Egyptian Museum in Mississauga

June 2025 – August 2025

Museum Technician, Tour Guide, and Sales Associate

Mississauga, Ontario

- Created tracking methods for open house visitors using Excel.
- Trained 2 new employees.
- Prepared the museum before tours, offered guided tours to visitors, and sold items from the gift shop.
- Solved technical issues and upgraded systems.
- Participated in meetings regularly and maintained constant communication with managers and team members.

C4C Camp

June 2023 – August 2025

Summer Camp Counsellor

Mississauga, Ontario

- Developed, supervised, and participated in activities with campers aged 4 to 9.
- Worked cooperatively with other camp counsellors to ensure campers are safe and having fun.
- Built relationships with all campers and counsellors by showing compassion, empathy and understanding

Ontario Soccer

August 2019 – September 2021

Youth Soccer Referee

Mississauga, Ontario

Mississauga News

October 2018 – 2019

Newspaper Distributor

Mississauga, Ontario

Leadership / Extracurricular

Coptic Orthodox Student Association

September 2023 – June 2024

Vice-President and Co-Founder

St. Aloysius Gonzaga Secondary School

- Co-founded the club as the first of its kind at Gonzaga.
- Organized bi-weekly meetings with enjoyable activities and engaging discussions about faith and culture, and encouraged students to join meetings.
- Chose candidates and passed down leadership before graduating, allowing the club to continue to grow even till this day.
